

ARE YOU WORKING AS A CHILDMINDER?

**Registration
is required
BY LAW!**

www.nicma.org

Why? Registration means:

- ✓ You are complying with the law
- ✓ You provide 'peace of mind' for parents and a safe, inspected environment for children
- ✓ Parents can claim help with their childcare costs

Make sure you register with your local Health & Social Care Trust - the Children Order NI 1995 states it's a **LEGAL** requirement. For more information or to find out how to register, call NICMA on **028 9181 1015** or visit **www.nicma.org**
